

## About Us

We are a supplier of Unlicensed Medicines to the Healthcare Sector to include: NHS/Private hospitals, pharmaceutical wholesaler and the retail pharmacy markets.

## Our supply chains

Our supply chains are based throughout the world, we conduct due diligence on all suppliers assessed by our Quality Team as critical and/or major to the business before approving them as suppliers.

Our due diligence includes assessing regulatory licences and certificates, compliance with such regulatory bodies,

We also conduct supplier audits where appropriate and assess our suppliers on a yearly basis.

## Our policies

We comply by internal policies to ensure that we are conducting business in an ethical and transparent manner

- **Recruitment...** we operate a robust recruitment policy, conducting eligibility to work in the UK checks for all employees to safeguard against human trafficking or individuals being forced to work against their will.
- **Health and Safety...** this policy sets out our approach to ensure we provide a healthy working environment for our staff and contractors that work out of our premises.
- **Whistleblowing...** our whistleblowing policy ensures that all employees know that they can raise concerns about how colleagues are being treated, or practices within our business or supply chain, without fear of reprisal.
